Xerox® VersaLink® B600 Printer and Xerox® VersaLink® B605 Multifunction Printer

For a black-and-white printer or multifunction printer, the Xerox® VersaLink® B600/B605 is anything but basic. In fact, VersaLink sets a new standard for what you can expect in workgroup productivity from Xerox. At home or away, this highly configurable, cloud-connected workplace assistant delivers completely new capabilities that go far beyond the competition – at a competitive price.

EASY, SMART AND SECURE

Right out of the box, you can count on your VersaLink B600 or B605 to make your business work more efficiently. From IT-free installation wizards to step-by-step configuration options, you're ready to go – hassle-free.

Superior reliability comes from a new hardware design with fewer moving parts, strengthened paper-path components and a more advanced Hi-Q LED print head.

VersaLink printers are loaded with features designed to reduce inefficiency. Device management and user training can be done anywhere with the time-saving Remote Control Panel. Ensure information accuracy with Scan and Fax Preview¹, and do more with scanned documents using built-in optical character recognition (OCR)².

The most security-minded businesses and governments choose Xerox. We offer a comprehensive approach to print security that includes a powerful mix of built-in features and services that mitigate risk through a vigorous focus to prevent unauthorised access, detect suspect or malicious behaviour and protect data and documents.

CUSTOMISABLE, APP-BASED FUNCTIONALITY

The 7-inch customisable colour touchscreen (5-inch on the B600) allows you to breeze through tasks with mobile-like ease. Xerox® ConnectKey® Apps, accessed via the extensive Xerox App Gallery, provide expanded functionality – like the optional Xerox® Easy Translator Service app, which quickly translates scanned documents into numerous languages.

Get more done in less time by creating customised 1-Touch Apps² to automate multi-step workflows for individuals or groups.

Simply tap your new app to quickly perform the job you have configured. And with Simple ID, individual users and groups enter a user ID and password once to experience fast, secure access to task-specific presets and commonly used apps on a personalised home screen.

CLOUD AND MOBILE CONNECTIVITY

The VersaLink B600 Printer and VersaLink B605 Multifunction Printer give you the freedom to work where and how you want – with access to Google Drive™, Microsoft® OneDrive®, DropBox™ and additional options through the Xerox App Gallery.

The ability to connect and print from multiple devices is key for today's worker, and VersaLink printers meet the challenge with Apple® AirPrint®, Xerox® Print Services plug-in for Android™, Near Field Communication (NFC) Tap-to-Pair and Mopria®, plus optional Wi-Fi and Wi-Fi Direct.

Learn more about why Xerox is the only choice for today's mobile professionals by visiting www.xerox.co.uk/en-gb/office/mobile-working-solutions.

ENVIRONMENTAL STEWARDSHIP

VersaLink printers meet or exceed the requirements of the world's most widely recognised certifications for product environmental performance, including EPEAT®, which verifies manufacturer claims regarding design, production, energy use and recycling. **(See the complete list of EPEAT-verified VersaLink products.)**

INTRODUCING TOUCHSCREEN SUPERIORITY

Meet the industry's most advanced colour touchscreen interface. Whether 7-inch (B605) or 5-inch (B600), it's a user experience that sets a higher standard for customisation, personalisation and versatility.

By presenting a familiar "mobile" experience – with support for gestural input and task-focused apps that share a common look and feel – fewer steps are needed to complete even the most complex jobs.

A highly intuitive layout guides you through every task from start to finish, with a natural hierarchy placing critical functions near the top of the screen and commonly used options front and centre. Don't like where a function or app is located? Customise the layout to make it yours.

This unmatched balance of hardware technology and software capability helps everyone who interacts with the VersaLink B600 Printer and VersaLink B605 Multifunction Printer get more work done, faster.
